UNIT CITATION

for

Larimer County Search and Rescue

On July 28, 1997, Larimer County was hit with torrential rains that resulted in a devastating flood. Five people lost their lives due to the unexpected and out of control flood waters.

Many agencies were called upon to assist with this emergency. Members of the Larimer County Search and Rescue team responded without hesitation or regard for their own safety. Many of these volunteers worked through the night and all day for days to search for missing persons.

The Larimer County Search and Rescue team is made up of hard working men and women who volunteer their time for the citizens of Larimer County. During this emergency, the team members went above and beyond the normal call of duty. Many lives were saved and families consoled due to the long, hard work of these volunteers. The Larimer County Sheriff's Office is proud to be associated with Larimer County Search and Rescue and hereby award them with a Unit Commendation.
